Job Description

WHO WE ARE

Dr OM opened in Singapore in 2015 to serve the local community on all their relationship and sexuality challenges.

Intrigued by the secrets of the mind Dr Oberdan first qualified as a psychologist 15 years ago and worked both in corporate and private settings to support individuals, couples and groups to rediscover their innate power for productivity, creativity and service.

Today, the clinic has evolved to offer a broader range of services, eventually establishing itself as a respected, reputable, and trusted place for healing. It has grown to serve a diverse clientele from over 50 countries, who present life challenges ranging from stress, anxiety and depression, to the specialised sexual and relational ones experienced in silence by many.

We welcome clients from any walk of life, and look forward to continue growing as a valuable service provider to our local and international communities.

JOB BRIEF

We are looking for experienced counsellors, psychologists and psychotherapists who are keen to grow their career and their private practice.

In this role you will be responsible for providing counselling and therapy services to clients, as well as writing and maintaining your case notes for effective case management.

While the company will provide you with all the systems and tools to attract and onboard clients, you will be responsible for the effective management of your consultation schedule and its associated processes.

The majority of our clients are English speaking, additional language skill would be an advantage.

- Attitudes
 - Commitment to personal and professional growth
 - Professionalism in dealing with all internal and client matters
 - Open to trying new things
 - Broad-minded, non-judgemental and respectful towards others
 - Deep appreciation for confidentiality
 - Sense of humour
 - Energetic and constructive outlook on life
- Qualifications and Experience
 - Master's degree in a related subject is a minimum requirement
 - Minimum 5 years of consultation experience
- Citizenship requirements
 - Both Singaporean or Singapore PR may apply
- Skills
 - Self-awareness, sensitive and empathy
 - Ability to establish rapport
 - Boundary setting
 - Communication
 - Creativity
 - Ability and desire to learn
 - Proficient English language, both spoken and written
 - The ability to plan, organise and execute simple work tasks

WHAT WE OFFER

To support the growth of your practice, and to allow you to concentrate on what you do best – working with clients! – we will provide all the necessary tools, processes and systems to:

- Market your services
- Attract and onboard new clients
- Manage your consultation schedule
- Collect payments for client sessions or no-shows
- Cover basic admin requirements

ADDITIONAL NOTES

- Flexible working schedule
